Upcoming events

- *Movie night* – Sanj is both hosting and sourcing the projector. In regards to advertising, we'll revamp last year's poster. Additionally, put up a movie night options poll on Instagram. Also put up a message on the chat stating for anyone living central + for people who don't know where Churchill is we will walk together from John's.
- *Bandi Chhor* – Need to make a schedule for student seva
- *Talk from Harkaran* – The poster has been made, courtesy of Amritpal. We only need to make sure that someone from Johns can lend their cam card.
- *Sikh Education Council*- Offered to take 12 members to free Go karting, lazer tag and a dinner. After Bandi Chhor we can release a google form for people to sign up on a first come first serve basis. We will travel by train to the event.
- *Access conference* - Still need to sort out travel. Also need to do a poll to see who can come to help out.
- Furthermore, we may need to sort out personal statements from people to give to applicants. In the future, it would be nice to create a bank of personal statements.
- *Amritvela* – We will reuse last year's poster. All events are open to alumni and current students, but this is a nice event to advertise to alum.
- *Annual Sikh Soc formal* – Will likely be at Peterhouse. Ryan and Chandan can book this.
- *Games night* – Need to book the room on top of John's
