

ARJUN SINGH JUDGE

COMPUTING AND PUBLICITY OFFICER

ABOUT ME:

I'm Arjun, a first year Engineer at Trinity College, and I would like to become your next Computing and Publicity Officer.

WHY ME?

- I've been involved with the CU Sikh society since the start of the academic year and understand how it's run and what is required to fulfil the role successfully
- I have experience being part of a leadership team in Sixth Form.

AIMS:

- Continue the regular posting on the CU Sikh Society social media pages
- To increase the reach of the society by recording and photographing parts of all society events and posting on the social media pages
- To keep the CU Sikh Society website running and up to date with the latest news and events.

If you have any questions/
queries please feel free to email
