

# **JAI SINGH MATHARU**

**For Events Officer**

## **Vision**

**Want to create a larger range of events, with some more higher level Sikhi related events as well as some more informal and casual events so everyone feels welcome!**

**Will be keen to listen to input from everyone in the soc about what events they'd want to have and try my best to implement those!**

**Want to create more of a freindly and community atmosphere in the soc!**
