

## Harveen Kaur

### For Welfare Officer

Hello! I am a first year Natural Sciences student at Newnham College and am running for Welfare Officer for the Sikh Society.

What I would bring to the society as Welfare Officer-

- I will try to organise charity aimed events for students to take part in, as giving is one of the crucial things in maintaining wellbeing.
- Being available for communication if someone is stressed about an issue or just wants to have a chat will also be one of my aims.
- Encouraging women representation in the society
- Organising events for mental wellbeing and extending support to Anglia Ruskin students where possible.

Why me?

I have experience of working in a committee (current Garden Party Sustainability Officer) and would like to take this opportunity to be a supportive person available for a chat. I am aware how difficult it can be to be staying in College away from family or facing unjust behaviour and I think talking about it to someone is the best way to deal with the situations and I am more than willing to listen.
