

KAMRAN GILL

For Vice-President

ABOUT ME:

I am a first year studying Law at Emmanuel. I've been involved with the society since joining in October and would love to get involved with all the great work it's doing!

EXPERIENCE:

- CULS Careers FREP: Over the last year, I have organised and hosted various careers events for CULS. This involved liaising with major law firms, barrister's chambers and other legal service providers to carry out events that were both part of existing sponsorship agreements and helped to facilitate new ones.
- Part of a socially-conscious personal statement service start up.
- Didn't do NCS.

AIMS:

- A big focus on ensuring consistent and exciting social events throughout Michaelmas and Lent term next year as COVID restrictions are relaxed.
- Work with other Sikh Societies around the country to help implement and improve access services for Sikh students in Sixth Form. E.g: Providing weekly zoom sessions which provide interview prep, personal statement advice and Oxbridge access events
- Work on finding funding for a Cambridge Sikh scholarship for outstanding applicants from underprivileged backgrounds.
