

Juvraj Singh

For President

I am a second-year Engineer at Trinity College

Having been involved with the Society for the past two years, I have seen how much of an impact we can have on the University, town and the Sikh Community

For the past year, I have been events officer for the society

I know how the Society runs and have learnt what works well and what doesn't

Organised a range of events for the society, from larger scale events like the Guru Nanak Dev Ji Conference to smaller ones like the Freshers Chill

Have secured Sponsors for the Society

Worked to produce Hoodies for the Society

Hold events that teach the wider Cambridge Community about Sikhi and that teach our members more about our history

Work with and encourage members to get involved with societies that practice archery, target shooting, horse riding, wrestling and music to help engage with our history

Continue and improve our current Access and Outreach to make sure Sikh students from under-privileged backgrounds are able to fulfil their potential and are not put off from applying to Ox-bridge

Hold discussions or forums that address issues affecting the wider Sikh Community, such as gender and caste
