

Vote Arjun Singh Lotay for Treasurer!

Being the VP, I was able to see first-hand the joys of representing this society. I have been able to lend a hand to holding fantastic events such as the Revelation Revolution Conference. I also helped with the behind-the-scenes work of the society, including secretarial duties and liaising with sponsors.

I'm now asking you all to consider me for the position of Treasurer, so I can continue to humbly serve the society, build on the legacy of the incumbent committee, and ensure that the society's finances allow the amazing work to continue!

Aims:

- Focusing the society to have a clear budget, running an equal number of both social and educational events
- Ensuring society funds are both transparent and also well-managed.
- Working with other societies to share resources but also improve the outreach of the society.
- Using my knowledge of the actions taken by the previous committee to ensure consistency across all forms of admin and practice.
- Ensuring the society focuses on access and outreach to inspire the next generation of Sikhs in academia.
- Using my connections with Sikh organisations and influencers to build lasting sponsorships and partnerships.
